Know Your Care Options

Health care isn't one-size-fits-all

Knowing where to seek care for your situation can save you time and money. As a Harvard Pilgrim member, you and your dependents have access to a variety of options:

When to See Your Primary Care Provider (PCP)

For annual checkups and physicals, as well as non-urgent needs such as preventive screenings and immunizations, your PCP is best suited to coordinate your care. They may also offer virtual health care services for even greater convenience.

When to Use Virtual Care, Through Doctor On Demand

You can request a virtual visit with a U.S.-based doctor 24/7 for non-emergency conditions such as upper respiratory infection, upset stomach or skin rash using live video or voice call with your smartphone, tablet or computer. You can also access confidential therapy and build an ongoing relationship with the provider of your choice.

When to Go to a Retail Clinic

Retail clinics, such as CVS MinuteClinic® and Walgreens Healthcare Clinic, are a good option when you're experiencing mild symptoms such as an ear infection or skin conditions like poison ivy, and you want a health professional to check it out without an appointment.

When to Visit an Urgent Care Center

You can visit an urgent care center without an appointment for situations that need immediate treatment but are not considered life-threatening, such as minor burns or cuts that may require stitches.

When to Visit the Emergency Room

If you think you're having a medical emergency and your life is in danger, call 911 or go to the nearest emergency room. Examples include severe chest or abdominal pain or serious injury.

Access Telehealth from Anywhere

Virtual care provided by Doctor On Demand

Access virtual urgent care in minutes 24/7⁵

Connect with a U.S. board-certified provider via your smartphone, tablet or computer from anywhere in the U.S.⁶ Get care for concerns such as bronchitis, sinus issues, pink eye, UTIs, or skin rashes.

Access confidential therapy your way; appointments are confirmed within 72 hours

Doctor On Demand licensed providers can support you with concerns such as anxiety, depression, grief, family issues, trauma or PTSD. Key Terms

Coinsurance

This is a fixed percentage of costs that you pay for covered services. For example, if you have a plan with coinsurance, you may have to pay 20% of a provider's bill for your care, while Harvard Pilgrim pays 80%. Coinsurance is usually something you pay after you have paid an annual deductible.

Copayments

A fixed dollar amount that you pay for a covered medical service, prescription or medication.

Cost-sharing

Your out-of-pocket costs for services included within your health plan including copayments, deductibles and coinsurance.

Deductible

The amount you owe or pay out-of-pocket during a coverage period (usually one year) for covered health care services before your plan begins to pay.

In-Network

Generally, this describes coverage for care that POS and PPO members receive from participating providers in the Harvard Pilgrim network. In-network coverage typically costs less than out-of-network coverage.

Out-of-Network

Out-of-network coverage applies only to POS and PPO plans. Harvard Pilgrim will cover care that POS and PPO members receive from non-participating providers, but it usually costs more than in-network coverage.

Out-of-Pocket Maximum

This is a limit on the total amount of cost-sharing you have to pay annually for covered services. This generally includes copayments, coinsurance and deductibles. After you meet your out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

Premium

This is the monthly cost of your health insurance coverage.

Prior Authorization (PA)

The need for your provider to tell us why it is medically necessary for you to receive a covered medication or service.

Tier

Medical plans often place providers and hospitals in different categories, or tiers, with different cost-sharing amounts. Typically, you'll save money when you see Tier 1 providers.

- > For details and more key terms, go to [harvardpilgrim.org/keyterms](https://www.harvardpilgrim.org/keyterms)

Important Information About Your Plan

The following information refers to plans offered by Harvard Pilgrim Health Care and its affiliates (“Harvard Pilgrim”).

When You Need Care

If your doctor admits you to a hospital for a test, surgery or other procedure, including admission for surgical day care, hospital representatives are responsible for notifying Harvard Pilgrim on your behalf. There are a few procedures that require Harvard Pilgrim’s authorization, and your doctor is aware of the procedures they must discuss with us before they take place.

To find out where our participating doctors admit patients, visit our online directory at harvardpilgrim.org/member/login. Or you can call one of the phone numbers at the end of this document to have one of our representatives assist you.

Harvard Pilgrim requires prior authorization (prospective review of medical necessity and clinical appropriateness) for selected medications, procedures, services and items. The prior authorization process is used to verify member eligibility and facilitate the appropriate utilization of these elective, non-urgent services. Visit harvardpilgrim.org/member/login to see Prior Authorization for Care details.

When you’re in the hospital, Harvard Pilgrim’s nurse care managers are available to work with your doctors and other providers to ensure that you receive the care you need. They may evaluate the quality and appropriateness of the services you receive, and when you no longer need hospital care, will work with your medical team to coordinate the services you need in an appropriate clinical setting (e.g., at home, or in a skilled nursing or rehabilitation facility).

In situations where Harvard Pilgrim was not notified of services (e.g., when a member was unable to give insurance information to providers), a post-service review may be completed to evaluate proper use of services or to identify quality of care issues.

Appeals

You may file a complaint about a coverage decision or appeal that decision with Harvard Pilgrim. For details, see your Benefit Handbook.

To access your Benefit Handbook online, log into your secure online account on harvardpilgrim.org/member/login, click on More Tasks from your Member Dashboard and select View My Plan Documents under Documents. For assistance, call Member Services at **888-333-4742**.

Member Confidentiality

Harvard Pilgrim values individuals’ privacy rights and is committed to safeguarding protected health information (PHI) and personal information (PI). To support this commitment, Harvard Pilgrim has established a number of Privacy and Security policies, including those describing the administration of its privacy and security programs, requirements for staff training, and permitted uses and disclosures of PHI and PI. We may collect, use and disclose financial and medical information about you when doing business with you or with others. Footnotes

- 1 Some features are website features integrated into the mobile app: change PCP, ID Card, Other Documents, Plan Documents. Other features while offered on the website, function differently on the mobile app: claims, eligibility and deductible tracker, and provider search.
- 2 Estimating costs feature is not available on the mobile app.
- 3 To help avoid unanticipated costs, always choose providers within the Harvard Pilgrim network. If your plan requires you to use in-network healthcare providers, check with your PCP, who can assist in coordinating your care. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.
- 4 Prices are generated by HealthTrio and Harvard Pilgrim. They are personalized estimates and may not reflect the actual total price. The estimates are based on the details of your Harvard Pilgrim plan as of today. If there is not enough cost information available for your specific plan, the pricing you see will be based on the experience of a wider range of Harvard Pilgrim plans. In these cases, the amount shown may be less accurate than a cost estimate based on your specific plan. Also, the actual cost may differ if you receive additional services, your coverage changes, or the provider bills the service differently. It's important to note that you should not rely only on this or any other price estimate to make your health care purchasing decisions. Please note that some services may require a referral from your primary care provider or prior authorization before you receive the service. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.

Yes: durable medical equipment , emergency room care , emergency medical transportation , prescription drugs, outpatient mental health services, preventive care , provider office visits, rehabilitation services , habilitation services , routine eye exams, are covered before you meet your deductibles .	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/

What is the out-of-pocket limit for this plan ?	\$2,000 member/ \$4,000 family Separate out-of-pocket limit applies to Pharmacy, see "If you need drugs to treat your illness or condition". Medical Coverage & Cost-Sharing Guide

HMO

With this plan, you will need to receive care from medical professionals and hospitals that participate in Harvard Pilgrim's provider network, except in a medical emergency. Otherwise, you will be responsible for paying all charges.

- › **In-network coverage only**
- › **Referrals needed for most specialists**
- › **PCP required**
- › **Co-payments for most office visits**

A primary care provider (PCP) is key to good health

A PCP is the doctor, nurse practitioner or other qualified medical professional you see for annual checkups and for treatment when you're sick or injured.

- Because this plan requires you to have a PCP, we will assign one to you automatically if we don't have one on file for you or if you don't select one when you enroll.
- You and each of your dependents can choose different PCPs from our network of participating providers.
- Find a PCP or see if your current provider is in our network at [harvardpilgrim.org/providerdirectory](https://www.harvardpilgrim.org/providerdirectory)

Getting care with the HMO plan

Routine and preventive care*

There's no extra charge for routine annual exams with your PCP and many preventive tests and services. Other tests and services your PCP orders may require cost-sharing.

Specialty care

You will need your PCP's referral before your plan will cover most kinds of specialty care (e.g., dermatology, physical therapy, etc.). Certain types of visits (e.g., routine eye exams and OB-GYN care) do not require referrals.

Hospital care

You will need a referral from your PCP or specialist for any tests, surgery or treatment you receive at a participating hospital, except in a medical emergency. If you are admitted to the hospital from the emergency room, call your PCP to arrange for any follow-up care you may need.

Behavioral health care**

Your plan covers in-person visits with thousands of participating licensed clinicians; you do not need a referral. Virtual visits via smartphone, tablet or computer are also available.

Care when you're traveling

Your plan covers emergency care if you get sick or injured anywhere in the world.

Acupuncture and chiropractic treatments

Acupuncture and chiropractic benefits are included without referrals on most plans.

Urgent and emergency care

If you have a non-life-threatening illness or injury and your doctor's office is closed, you have a variety of options for getting care. Of course, if you think you're having a medical emergency, go to the emergency room or call 911. Learn more about your care options at [harvardpilgrim.org/urgentcareoptions](https://www.harvardpilgrim.org/urgentcareoptions)

*Preventive services that fall under the federal Affordable Care Act.

**Not all employer-sponsored plans offer behavioral health benefits through Harvard Pilgrim.

Cost-sharing overview

No cost-sharing:

Routine & preventive care*

- › Annual checkup with your PCP
- › Preventive screenings and tests
- › Immunizations, including flu shots
- › Routine prenatal and postpartum visits

Cost-sharing may apply:

PCP and specialist visits, diagnostic tests & services, hospital services

- › Visits to your provider when you're sick or injured
- › Diagnostic screenings and tests outside of preventive care
- › X-rays, CT scans and MRIs
- › Inpatient and outpatient hospital care
- › Emergency room visits

What you pay for services

Cost-sharing is the portion you pay for specific services like office visits, X-rays and prescriptions.** Copayments, deductibles and coinsurance are examples of cost-sharing.

Coinsurance: A fixed percentage of costs you pay for covered services. For example, you may have to pay 20% of a provider's bill for your care, while Harvard Pilgrim pays 80%. Coinsurance is usually something you pay after you have paid your full annual deductible.

Copayment: A flat dollar amount you pay for certain services on your plan. You may have different copayments for different services (e.g., primary care visits, specialist visits and prescription drugs). Copayments are normally due when you have your appointment or pick up prescriptions at the pharmacy.

Deductible: A set amount of money you pay out of your own pocket for certain covered services. If you have a \$2,000 annual deductible, for example, you will have to pay \$2,000 worth of charges before Harvard Pilgrim helps pay. Copayments and coinsurance do not count toward your deductible.

Out-of-pocket maximum: A limit on the total amount of cost-sharing you pay annually for covered services. This generally includes copayments, deductibles and coinsurance. After you meet your out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

See the Schedule of Benefits for more details on your coverage and cost-sharing amounts.

* Preventive services that fall under the federal Affordable Care Act.

** Not all employer-sponsored plans offer Harvard Pilgrim prescription drug benefits.

Select 3-Tier

Prescription Drug Coverage

Tier 1

Generic drugs, certain over-the-counter medications, and selected brand-name drugs

Tier 2

Select brand-name drugs without generic equivalents and some high-cost generic drugs

Tier 3

Drugs not in Tier 1 or Tier 2 (non-preferred brands, and highest cost generics)

Your Drug Coverage

What is covered?

- Most generic drugs
- Select brand-name drugs without generic equivalents
- Certain over-the-counter medications

What is not covered?

- Weight loss drugs
- Most brand-name drugs with generic equivalents
- Cosmetic drugs
- Some brand-name and higher-cost generic drugs

Are there limitations on certain drugs?

Yes, we may limit the quantity of some drugs we cover. For example, you may be able to receive only a certain number of pills or doses.

Do some drugs require prior authorization?

Yes, certain drugs do require prior authorization. This process helps us ensure that you are using the most effective and safe medications for your health conditions. Your prescriber must request prior authorization on your behalf.

Can I request an exception?

Yes. If you need a drug that we either don't cover or limit, you or your provider can ask us for an exception. For details, visit harvardpilgrim.org/rx. Choose the year and then **Select 3-Tier** for information on exceptions.

What is step therapy?

Step therapy is a process that requires you to first try one drug for a medical condition before we cover another drug for that condition. For example, if Drug A and Drug B both treat the same medical condition, we may require you to try Drug A first. If Drug A does not work, then we will cover Drug B.*

How can I learn more?

Use our online Prescription Drug List to find out which drugs we cover. It will show you which ones have quantity limits or require prior authorization or step therapy. Visit harvardpilgrim.org/rx, choose the year and then **Select 3-Tier** to find out how your drugs are covered.

What kinds of over-the-counter medications are available in Tier 1?

Tier 1 includes certain cough, cold and allergy medicines; skin treatments (dermatology); stomach medicines (gastrointestinal); pain relievers; and eye preparations (ophthalmic).

How can I get an over-the-counter medication covered under my prescription drug benefit?

Visit harvardpilgrim.org/rx and choose the year and then **Select 3-Tier**. Use the Prescription Drug Lookup to find out which over-the-counter medications are included in Tier 1.

Ask your provider to write a prescription for the generic version and have it filled at a participating pharmacy.

*If you have already tried Drug A or are unable to try Drug A, an exception may be granted.

Filling Your Prescriptions

Where can I get my prescriptions filled?

You can get your prescriptions filled at any of the more than 68,000 retail pharmacies that belong to our national participating pharmacy network. To confirm whether your pharmacy is in the network, visit [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx), choose the year and then **Select 3-Tier** to find participating pharmacies.

Can I get a 90-day supply?

If you take maintenance medications (i.e., ones you take continually for conditions such as heart disease, diabetes or depression), you can get a 90-day supply from many retail pharmacies or through our mail order program. Although most maintenance medications are appropriate for mail order, we may exclude drugs from the program for clinical reasons or to prevent potential waste.

To learn more, visit [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx), choose the year and then **Select 3-Tier** for details. Depending on your coverage, your cost sharing may be lower when you get these drugs through the mail order program.

If you have questions about your prescription drugs, please speak with your doctor.

Learn more at [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx) or call 888-333-4742 TTY: 711.

What if I take specialty medications?

If you take medications for conditions such as hepatitis C, multiple sclerosis or rheumatoid arthritis, your provider must order your prescriptions through our designated specialty pharmacy. Visit [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx) for information on our specialty pharmacy program, choose the year and then **Select 3-Tier** for details.

What do I pay for my medications?

Depending on your plan, your payments — also called “cost sharing” — may include a combination of copayments, coinsurance and a deductible. Refer to the Prescription Drug Coverage insert or Schedule of Benefits to find out what you will pay when you pick up prescriptions at the pharmacy.

Coverage for Over-the-Counter Medications

Your health plan includes coverage for certain generic over-the-counter (OTC) medications. This means cost savings on the essentials in your medicine cabinet.

Here's how it works:

- Use the online lookup tool at harvardpilgrim.org/rx to see which OTC medications you take are covered.
- Ask your provider to write a prescription for the covered medication, for up to a 90-day supply.
- Bring the prescription to any in-network pharmacy* so that the pharmacist can give you the proper medication.
- You pay Tier 1 cost sharing instead of the retail price. If you have an HSA plan, you pay either our discounted rate or the retail cost, whichever is lower, until you meet your deductible, and then Tier 1 cost sharing applies.

There's another advantage: because your provider will be giving you a prescription for the OTC medications you take, your medical records will have a more complete medication history.

Below are the types of OTC medications that are covered along with a complete listing by medication:

Type of Therapy	Purpose
Cough, cold, allergy	<ul style="list-style-type: none">• Antitussive (cough suppressant)• Expectorant• Nasal decongestant• Antihistamine• Nasal spray

Get Reimbursed for Childbirth Education Classes

Congratulations! Having a baby is an exciting time in your life, but it can also be overwhelming. Taking a class is a great way to build your confidence and prepare for childbirth and early parenthood. If you're a Harvard Pilgrim member, **you can get reimbursed up to \$150 for completing a childbirth education class.** Reimbursement is available to large group plans that opt in for childbirth class reimbursement.

Your questions answered

What's considered a qualifying class?

Qualifying classes are offered through your local hospital, birthing center, physician's office or childbirth education organization. They may consist of a one-day course or a series of weekly sessions. Led by a trained childbirth educator, classes typically address labor and birth, pain relief and coping management, birthing options, postpartum care, and the basics of caring for your newborn baby.

What do I need to prove that I took the class?

Be sure to get a paid receipt verifying class enrollment. The receipt must show your name, the name and location of the class, the amount paid, and the date of payment.

What if the class costs less or more than \$150?

Harvard Pilgrim will reimburse up to \$150*, but not more than the cost of the class. For example, if the class fee is \$225, we will only reimburse \$150. If the class costs \$120, we will reimburse \$120.

I took my class a year ago. Can I still get reimbursed?

You have until March 31 of the next calendar year to submit your form and receipt. For example, if you took your class in 2023, you must submit your request by March 31, 2024.

I took a childbirth class during my last pregnancy. If I take another class in preparation for the birth of my next child, can I be reimbursed?

Yes. You're eligible to be reimbursed for one childbirth class per pregnancy, per calendar year.

Take the class, get a receipt and send it in — it's that simple.

- 1 Select the qualifying childbirth class that meets your needs.
- 2 Fill out the form at [harvardpilgrim.org/reimbursement](https://www.harvardpilgrim.org/reimbursement). Remember, only the subscriber can request the reimbursement. If the dependent is enrolled in the class, the subscriber must complete and submit the form.
- 3 Mail your form and receipt to the address listed on the form.

For more details, see the Childbirth Class Reimbursement Form at [harvardpilgrim.org/reimbursement](https://www.harvardpilgrim.org/reimbursement)

*Maximum reimbursement per Harvard Pilgrim policy in a calendar year (individual or family contract). Some employers may offer a different reimbursement amount. Must be currently enrolled in Harvard Pilgrim at time of reimbursement. For tax information, consult your employer or tax advisor. Childbirth reimbursement details vary for MA and RI small or individual group.

Out-of-Area Dependent Coverage

For members enrolled in an HMO plan

If you're enrolled in a Harvard Pilgrim HMO plan that includes out-of-area dependent coverage, you and your covered family members typically must receive care from in-network providers. But did you know these plans provide coverage for dependents under the age of 26 who live outside of Harvard Pilgrim's enrollment area?* With this benefit, they have access to in-network providers and services through Harvard Pilgrim's national provider network with UnitedHealthcare (UHC) Options.

How does out-of-area dependent coverage work?

We provide limited out-of-area dependent coverage because many dependent children attend schools or colleges outside of the enrollment area where participating providers are not available to provide care. Please note that all dependents under the age of 26 (not just students) may be covered by your HMO plan if they live outside of the enrollment area.

How can my dependent take advantage of this benefit?

Before using this benefit, the plan's subscriber must first call Harvard Pilgrim to register the dependent who lives outside of the enrollment area. To do this, please call Member Services at **888-333-4742**.

Is my dependent required to have a primary care provider (PCP) and get referrals to see specialists?

As with all HMO plans, your registered dependent must have a Harvard Pilgrim network PCP on file with us. When the dependent is within the enrollment area (e.g., for school breaks or visits) and need to see a specialist, they must get a referral from their PCP. While living outside of the enrollment area, they do not need a referral from their PCP to see a specialist, but they will need to choose a specialist from the UHC Options network.

How can my dependent find a provider?
