To complete your group enrollment form:

Be sure to complete all information, sign, and date your enrollment form. Return the completed form(s) to your employer.

WHO CAN USE THIS FORM?

People with Medicare who want to join a Medicare Advantage plan supported by their prior employer, also referred to as retiree coverage.

To join a plan, you must:

- Be a United States citizen or be lawfully present in the United States
- Live in the plan's service area

Important: To join a Medicare Advantage plan, you must also have both:

- Medicare Part A (hospital insurance)
- Medicare Part B (medical insurance)

WHEN DO I USE THIS FORM?

You'll receive this form from your prior employer to enroll in the retiree coverage.

WHAT DO I NEED TO COMPLETE THIS FORM?

- Your Medicare Number (the number on your red, white, and blue Medicare card)
- Your permanent address and phone number

Note: You must complete all items in Section 1. The items in Section 2 are optional — you can't be denied coverage because you don't fill them out.

REMINDERS:

Your prior employer will be invoiced for this Medicare Advantage plan coverage.

INDIVIDUALS EXPERIENCING HOMELESSNESS

If you want to join this plan but have no permanent residence, a P.O. Box, an address of a shelter or clinic, or the address where you receive mail (e.g., Social Security checks) may be considered your permanent residence address.

WHAT HAPPENS NEXT?

Return completed form to your employer. We'll contact you in writing when we receive your enrollment form, and notify you of your effective date of coverage.

Privacy Act Statement

The Centers for Medicare & Medicaid Services (CMS) collects information from Medicare plans to track beneficiary enrollment in Medicare Advantage (MA) Plans, improve care, and for the payment of Medicare benefits. Sections 1851 of the Social Security Act and 42 CFR §§ 422.50 and 422.60 authorize the collection of this information. CMS may use, disclose and exchange enrollment data from Medicare beneficiaries as specified in the System of Records Notice (SORN) "Medicare Advantage Prescription Drug (MARx)", System No. 09-70-0588. Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1378. The time required to complete this information is estimated to average 20 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

IMPORTANT

Do not send this form or any items with your personal information (such as claims, payments, medical records, etc.) to the PRA Reports Clearance Office. Any items we get that aren't about how to improve this form or its collection burden (outlined in OMB 0938-1378) will be destroyed. It will not be kept, reviewed, or forwarded to the plan. See **What happens next?** on the first page of this document to submit your completed form.

YOO14_2683_C Blue Cross Blue Shield of Massachusetts is an Independent Licensee of the Blue Cross and Blue Shield Association.

NOTE TO EXISTING MEMBERS:

This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this formulary (drug list) refers to “we,” “us,” or “our,” it means Blue Cross Blue Shield of Massachusetts. When it refers to “plan” or “our plan,” it means Medicare HMO Blue or Medicare PPO Blue.

This document includes a list of the drugs (formulary) for our plan, which is current as of 10/01/2026. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages. You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/co-insurance may change on January 1, 2027, and from time to time during the year.

WHAT IS THE MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY?

A formulary is a list of covered drugs selected by our Medicare Advantage Group Plans in consultation with a team of health care providers, that represents the prescription therapies believed to be a necessary part of a quality treatment program. Our Medicare HMO Blue or Medicare PPO Blue plans will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a Medicare Advantage plan network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

CAN THE FORMULARY (DRUG LIST) CHANGE?

Most changes in drug coverage happen on January 1, but we may add or remove drugs on the drug list during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you'll be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our drug list if we're replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our drug list, but immediately move it to a different cost-sharing tier or add new restrictions. If you're currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
  - » If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled "How do I request an exception to the Medicare Advantage Group Plan's formulary?"
- **Drugs removed from the market.** If the Food and Drug Administration (FDA) deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that isn't new to market to replace a brand-name drug currently on the formulary; or add new restrictions to the brand-name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits, and/or step therapy restrictions on a drug, or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.

» If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled "How do I request an exception to the Medicare Advantage Group Plan's formulary?"

Changes that won't affect you if you're currently taking the drug. Generally, if you're taking a drug on our 2027 formulary that was covered at the beginning of the year, we won't discontinue or reduce coverage of the drug during the 2027 coverage year except as described above. This means these drugs will remain available at the same cost sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You won't get direct notice this year about changes that don't affect you. However, on January 1 of the next year, such changes would affect you, and it's important to check the drug list for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 10/01/2026. To get updated information about the drugs covered by our plans, please contact us. Our contact information appears on the front and back cover pages.

If we have a mid-year, non-maintenance formulary change, we will provide a notice in the monthly Explanation of Benefits and on our website, **bluecrossma.com/medicare**. You may ask for a copy of the most recent formulary by contacting us. Our contact information appears on the front and back cover pages.

HOW DO I USE THE FORMULARY?

There are two ways to find your drug within the formulary:

- **Medical condition.** The formulary begins on page 8. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular agents." If you know what your drug is used for, look for the category name in the list that begins on page 71. Then look under the category name for your drug.
- **Alphabetical listing.** If you aren't sure what category to look under, you should look for your drug in the index that begins on page 71. The index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the index. Look in the index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the index and find the name of your drug in the first column of the list.

WHAT ARE GENERIC DRUGS?

Our plans cover both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

ARE THERE ANY RESTRICTIONS ON MY COVERAGE?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior authorization:** Our plans require you or your physician to get prior authorization for certain drugs. This means that you'll need to get approval from our plan before you fill your prescriptions. If you don't get approval, our plan may not cover the drug.
- **Quantity limits:** For certain drugs, our plans limit the amount of the drug that our plans will cover. For example, our plans provide up to 30 tablets per 30 days per prescription of simvastatin 10 mg tablets. This may be in addition to a standard one-month or three-month supply.
- **Opioid safety edits:** For certain drugs or combinations of drugs, there may be a safety edit applied to prevent opioid overutilization. The safety edit on these medications may be cumulative with other similar, medications that you may be taking in the same class. A dosage adjustment by your physician or an exception may be required if you exceed the safety edit.
- **Step therapy:** In some cases, our plans require you to first try certain drugs to treat your medical condition before we'll cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, our plans may not cover Drug B unless you try Drug A first. If Drug A doesn't work for you, our plans will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 8. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask our plan to make an exception to these restrictions or limits, or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Medicare Advantage Group Plan's formulary?" on page 4 for information about how to request an exception.

WHAT IF MY DRUG ISN'T ON THE FORMULARY?

If your drug isn't included in this formulary (list of covered drugs), you should first contact Member Service and ask if your drug is covered.

If you learn that your Medicare Advantage Group Plan doesn't cover your drug, you have two options:

- You can ask Member Service for a list of similar drugs that are covered by our plans. When you receive the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by our plans.
- You can ask our plans to make an exception and cover your drug. See below for information about how to request an exception.

HOW DO I REQUEST AN EXCEPTION TO THE MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY?

You can ask your Medicare Advantage Group Plan to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make:

- You can ask us to cover your drug even if it isn't on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at a lower cost-sharing level if this drug isn't on the specialty tier. If approved, this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plans limit the amount of the drug that we'll cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, our Medicare Advantage Group Plan will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug, or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tier, or utilization restriction exception. **When you request a formulary, tier, or utilization restriction exception, you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

WHAT SHOULD I DO BEFORE I CAN TALK TO MY DOCTOR ABOUT CHANGING MY DRUGS OR REQUESTING AN EXCEPTION?

As a new or continuing member in our plan, you may be taking drugs that aren't on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover, or request a formulary exception so that we'll cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you're a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we'll cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. After your first 30-day supply, we won't pay for these drugs, even if you have been a member of the plan less than 90 days.

If you're a resident of a long-term care facility and you need a drug that isn't on our formulary or if your ability to get your drugs is limited, but you're past the first 90 days of membership in our plan, we'll cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you change your level of care, such as a move from a hospital to a home setting, and you need a drug that isn't on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we'll cover up to a temporary 30-day supply (or 31-day supply if you are a long-term care resident) when you go to a network pharmacy. After your first 30-day supply, you are required to use the plan's exception process.

Our transition supply won't cover drugs that Medicare doesn't allow Part D plans to cover, or drugs that might be covered under Medicare Part B.

FOR MORE INFORMATION

For more detailed information about your Medicare Advantage Group Plan's prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about our Medicare Advantage Group Plans, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at **1-800-MEDICARE** (**1-800-633-4227**) 24 hours a day/7 days a week. TTY users should call **1-877-486-2048**. Or, visit **medicare.gov**.

MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY

The formulary that begins on page 8 provides coverage information about the drugs covered by our Medicare Advantage Group Plans. If you have trouble finding your drug in the list, turn to the index that begins on page 71.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., AMOXIL®) and generic drugs are listed in lower-case italics (e.g., *amoxicillin*).

The information in the Requirements/Limits column tells you if our plans have any special requirements for coverage of your drug.

The abbreviations you may see in the formulary (list of covered drugs) include:

Quantity Limits (QL): To help ensure that the quantity and dosage of your medications remain consistent with manufacturer, clinical, and FDA recommendations, we maintain a list of medications subject to QL. When you fill a prescription for a medication subject to QL, your prescription is reviewed for:

- **Dose consolidation.** Dose consolidation checks to see whether you're taking two or more daily doses of medicine that could be replaced with one daily dose providing the same total amount of medication.
- **Recommended monthly dosing level.** This process checks to see that your monthly dosage of medication is consistent with both the manufacturer's and the FDA's monthly dosing recommendations and clinical information. Your doctor can also apply for an exception to QL guidelines when medically necessary.
- **Non-mail order (NM):** These prescription drugs aren't available through mail order.

Home infusion (HI): This prescription drug may be covered under our medical benefit. For more information, call Member Service at **1-800-200-4255**, from April 1 through September 30, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday, and from October 1 through March 31, 8:00 a.m. to 8:00 p.m. ET, seven days a week. TTY users should call **711**. Our contact information appears on the front and back cover pages.

Medical benefit (MB): These drugs and supplies are covered under your plan's medical benefit and are available through network retail pharmacies or mail order service.*

Prior authorization (PA): These prescription drugs require prior authorization from the plan.

Step therapy (ST): These prescription drugs require you to first try another drug to treat your medical condition.

Medicare Part B or D (B/D): This prescription drug may be covered under Medicare Part B or D, depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

Non-extended day supply (NEDS): In an effort to control drug costs, certain high-cost drugs will be limited up to a 30-day supply per fill.

*Coverage for diabetic test strips and blood glucose monitors at a participating retail or mail order pharmacy is limited to those listed on our formulary and provided at no cost to you. There is no coverage for other brand-name test strips and blood glucose monitors that aren't listed on our formulary when purchased at a retail or mail order pharmacy.

GET YOUR NO-COST FLU SHOT

The flu shot is quick and easy, and will help protect you and everyone around you this flu season. The flu shot reduces your risk of catching the flu and eases your symptoms if you become sick.[1] Get your flu shot today at a convenient location near you.

WHERE TO GET YOUR SHOT

The flu shot is available at no additional cost[2] from in-network providers and locations, like a primary care provider or pharmacy. To find an in-network provider or location near you, go to **bluecrossma.com/findadoctor**.

LEARN MORE

Just about everyone six months and older should get the annual flu shot.[1] Learn more about the flu and the flu shot at **bluecrossma.org/flu**.

1. CDC, "Seasonal Flu Vaccines," https://www.cdc.gov/flu/prevent/flushot.htm.
2. Flu vaccines recommended by the CDC are covered in full when administered by an in-network provider. Exceptions may apply. Check plan materials for details.

OUR COMMITMENT TO CONFIDENTIALITY (NOTICE OF PRIVACY PRACTICES) AND WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA) NOTICE

This notice describes how medical and dental information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Our Commitment: We respect your right to privacy. We will not disclose personally identifiable information about you without your permission, unless the disclosure is necessary to provide our services to you or is otherwise in accordance with the law.

Collection of Information

We collect only the information about you that we need to operate our business. We collect information from other parties, such as your health care providers and employers. Examples of the information we collect are (i) medical and dental information from health care providers when they submit claims for services and (ii) personal information such as name, address, and date of birth, which is most often supplied by you or your employer when you enroll in a plan.

USE AND DISCLOSURE OF INFORMATION

We are required by law to protect the confidentiality of information about you and to notify you in case of a breach affecting your information. We may use and disclose information about you without your written authorization for the following purposes, to the extent otherwise permitted or required by law:

You or Your Representatives—to you or your "personal representative" upon request or to help you (or your personal representative) understand treatment options, benefits, or the rights available to you. Your "personal representative" is a person who has legal authority to make health-related decisions on your behalf, such as a person with a health-care power of attorney. Your request must be in writing. Please complete the Documentation of Legal Representative Status for Members form available on our website. You also may designate a family member or friend to receive information and interact with us on your behalf. Your designation and any subsequent revocation must be in writing. Please complete the Member's Designation of an Authorized Representative form available on our website. You may also call Member Service for a copy of these forms.

- **Treatment**—to help health care providers manage or coordinate your health care and related services. For example, we may use and disclose information about you to inform providers of medications you take or to remind you of appointments.
- **Payment**—to obtain payment for your coverage, pay claims for your health benefits, or help another health plan or health care provider in its payment activities. For example, we may use or disclose information about you to make coverage determinations, administer claims, or coordinate benefits with other coverage you may have.
- **Health Care Operations**—to perform other activities necessary for the operation of our business, including customer service, disease management, and determining how to improve the quality of care. For example, we may use or disclose information about you to respond to your call to customer service, arrange for medical review of your claims, or conduct quality assessment and improvement activities.

Blue Cross Blue Shield of Massachusetts is an Independent Licensee of the Blue Cross and Blue Shield Association.

- **Legal Compliance**—to comply with applicable law. For example, we may be required to use or disclose information about you to respond to regulatory authorities responsible for oversight of government benefit programs or our business operations; to parties or courts in the course of judicial or administrative proceedings; or pursuant to workers' compensation laws.
- **Government Agencies**—under limited circumstances established by law, to public health authorities, coroners or medical examiners, law enforcement, or other government officials
- **Research**—for health-related research studies that meet legal standards for protection of the individuals involved in the studies and their personal information. We may also create a database of our members' information that does not include individual identifiers and use the database for research or other purposes, provided that the information cannot be traced back to specific members.
- **To Your Employer** (or other plan sponsor), if applicable, for administration of its health plan. This applies only if you receive coverage through an employer-sponsored plan (or plan sponsored by your union or other entity). For example, we may disclose information about you to your employer (or other plan sponsor) to confirm enrollment in the plan or (if the employer or other plan sponsor is self-insured) for claim review and audits. We will disclose your information only to designated individuals. That, along with legal prohibitions on use of your personal information for discriminatory purposes, helps protect your information from unauthorized use.

To carry out these purposes, we share information with entities that perform functions for us subject to contracts that limit use and disclosure for intended purposes. We use physical, electronic, and procedural safeguards to protect your privacy. Even when allowed, we limit uses and disclosures of your information to the minimum amount reasonably necessary for the intended task.

The Health Insurance Portability and Accountability Act (HIPAA) generally does not override other laws that give people greater privacy protections. As a result, we must comply with any state or federal privacy laws that require us to provide you with more privacy protections. For example, federal law provides special protections for substance use disorder information; Massachusetts state law restricts the disclosure of HIV and AIDS related information. In addition, we will not use (and are prohibited from using) your genetic information for underwriting purposes.

OTHER DISCLOSURES REQUIRE YOUR WRITTEN AUTHORIZATION

Except as provided in this notice, we will not use or disclose information about you without your written authorization. For example, we must have your written authorization to use or disclose your information for marketing purposes or (in most cases) to use or disclose psychotherapy notes. Although we would need written authorization to sell information about you, we do not sell members' information.

You may revoke your authorization at any time. Your authorization must be in writing. Your revocation will not affect any action that we have already taken in reliance on your authorization. If you would like us to disclose information about you to a third party, please complete the Permission for One-Time Disclosure of Information form available on our website or call Member Service for a copy of the form.

YOUR PRIVACY RIGHTS

You have the following rights with respect to information about you. You may exercise any of these rights by calling the Member Service number listed on your member ID card or contacting us at the address listed at the end of this notice. The forms listed below are also available on our website.

- **You have the right to receive information about privacy protections.** Your member-education materials include a notice of your rights, and you may request a paper copy of this notice at any time.
- **You have the right to inspect and get copies of information that we use to make decisions about you.** This is your designated record set. Your request must be in writing. We may charge a reasonable fee for copying and mailing you this information. Please complete the Request for Access to Copies of Protected Health Information in Designated Record Set form to request copies of your information.
- **You have the right to receive an accounting of certain disclosures that we make of information about you.** Your request must be in writing. Please complete the Members Request for an Accounting of Disclosures form. Our response will exclude any disclosures made in support of treatment, payment, and health care operations or that you authorized (among others). An example of a disclosure that would be reported to you is our disclosure of your information in response to a court order.
- **You have the right to ask us to correct or amend information you believe to be incorrect.** Your request to correct or amend information must be in writing. Please complete the Members Request to Amend Protected Health Information form. If we deny your request, you may ask us to make your request part of your records.

- **You have the right to ask that we restrict or refuse the disclosure of information about you and that we direct communications to you by alternative means or to alternative locations.** While we may not always be able to agree to your request, we will make reasonable efforts to accommodate requests. Unless you've notified us to request a different mailing address, Summary of Health Plan Payments statements for the subscriber, and all members listed on the subscriber's plan, are generally delivered to the subscriber's address. Under certain circumstances, you can request to not receive statements for a particular service, or to have statements delivered through an alternate method or to an alternate address, when required by state law. If you have concerns about protecting the privacy of your medical information in your statements, you can have these statements delivered to an address other than the plan subscriber's address, or have them delivered only via electronic means. For help understanding your delivery options, please call Member Service at the number listed on your member ID card. Your request and any subsequent revocation must be in writing.

If you believe your privacy rights have been violated, you have the right to complain to us using the grievance process outlined in your benefit materials, or to the Secretary of the U.S. Department of Health and Human Services, without fear of retaliation.

ABOUT THIS NOTICE

The original effective date of this notice was April 14, 2003. The effective date of the most recent revision is indicated in the footer of this notice. We are required by law to provide you with this notice of our legal duties and privacy practices and to abide by the notice for as long as it is in effect. We reserve the right to change this notice. Any changes will apply to all information that we maintain, regardless of when it was created or received. If we make a material change to this notice, we will post the revised notice on our website and notify you of the change and how to obtain the revised notice in our next regular mailing to you. WHCRA NOTICE

Did you know that your medical plan provides benefits for many mastectomy-related services? This is the case even if you were not covered by Blue Cross Blue Shield of Massachusetts at the time of the mastectomy. It's required by the Women's Health and Cancer Rights Act of 1998. If you are covered for a mastectomy and elect breast reconstruction in connection with a mastectomy, then benefits are also provided for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

Coverage will be provided as determined in consultation with you and your attending doctor. The costs that you pay for these services are the same as those you pay for other services in the same category. To learn more, please call the Member Service number on your member ID card.

Blue Cross Blue Shield of Massachusetts complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, sex, sexual orientation or gender identity.

A Guide to Your Summary of Health Plan Payments[1]

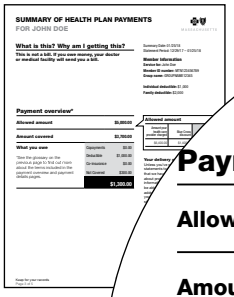

The Summary of Health Plan Payments shows you how we process claims for medical services you've received. This statement is not a bill.

How the Payment Process Works

When you visit a health care provider, you pay a copayment.[2]

The provider submits a bill for services to Blue Cross. This is called a claim.

You'll get a Summary of Health Plan Payments if there's a balance remaining after we process the claim and pay our share of the costs. Your provider will send you a bill if you owe any money.

This is not a bill.

Payment overview*

Allowed amount	**$5,000.00**
Amount covered	**$3,700.00**
Amount you owe	
Copayments	$0.00
Deductible	$1,000.00
Co-insurance	$0.00
Not Covered	$300.00
	$1,300.00

Amount covered by Blue Cross

*See the glossary on the previous page to find out more about the terms included in the payment overview and payment details pages.

Amount you owe (if any)

Copayments

Your copayments (also known as a copay) are the fixed dollar amount you pay each time you see a provider[2] or fill a prescription. Look for your copay amount on your member ID card.

Deductible

If your plan has a deductible, this is the amount of money you pay out-of-pocket for health care services, such as blood tests and x-rays, before Blue Cross starts to pay for them.

Co-insurance

If your plan has co-insurance, you're responsible for paying a predetermined percentage of your medical expenses once your deductible has been met.

Tip: See the glossary on page 2 of your statement for the meaning of any unfamiliar terms.

The provider sends you a bill. (if you owe money)

You pay your provider.

Financial accounts can help cover costs.

If your plan has a Health Reimbursement Arrangement, Health Savings Account, or Flexible Spending Account, you can use it to pay medical expenses, such as your deductible and copayments. You can also use these accounts to pay for eyeglasses and dental services.

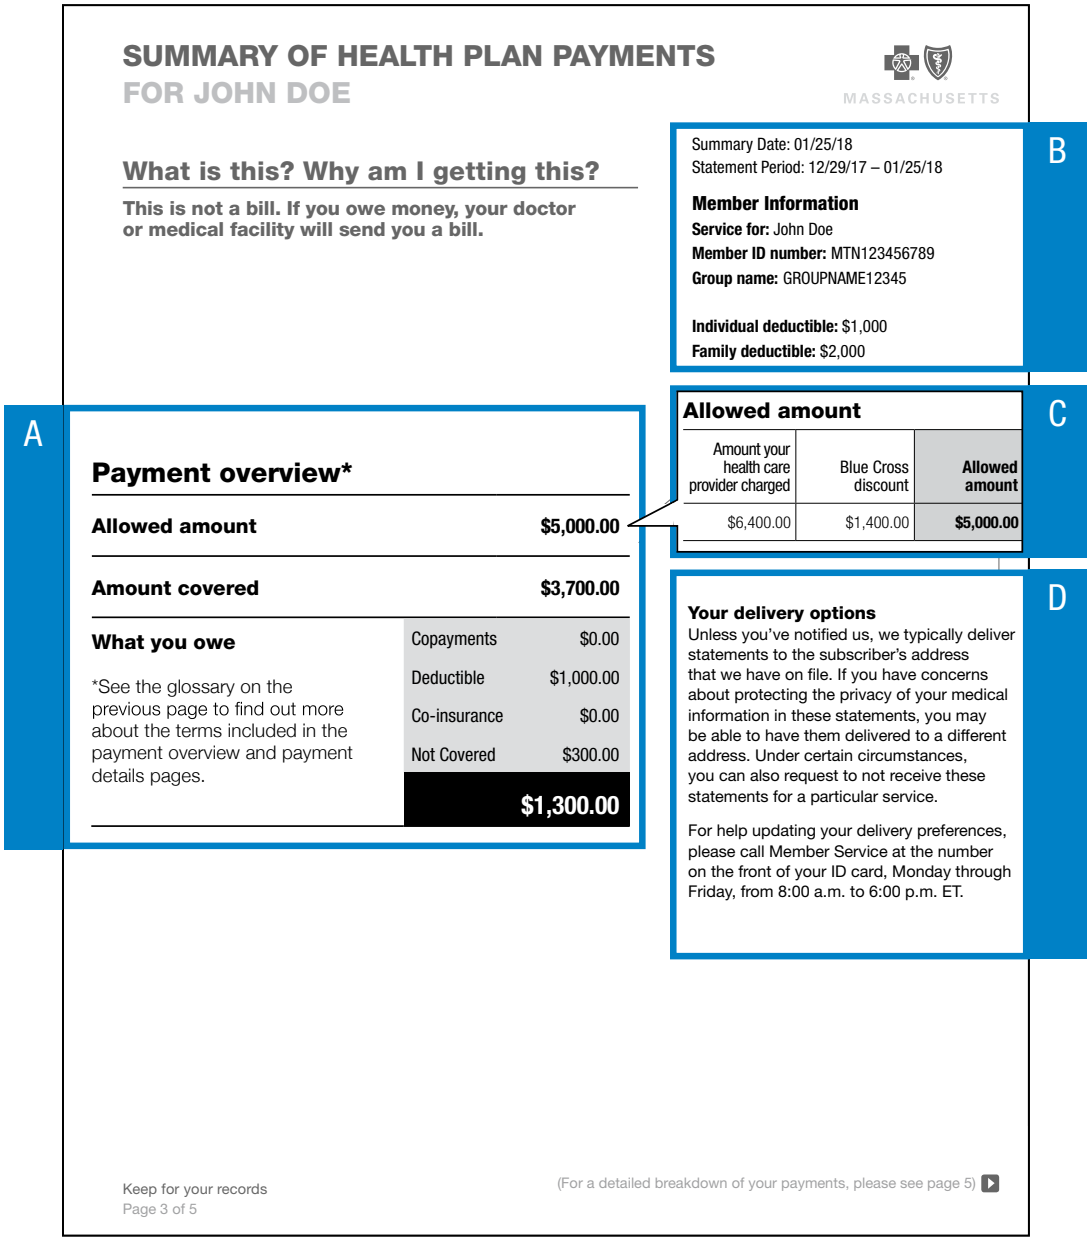

1. Medex members receive statements called Explanation of Benefits.
2. Except for certain plans, preventive services are fully covered. Some plans may require co-insurance.

CALL TEAM BLUE
Let us know if you have more than one plan by calling us at **1-888-799-1888**.

COORDINATION OF BENEFITS ENSURES YOUR BEST COVERAGE

If you're covered by more than one medical or dental insurance plan, you must inform us which ones you have so we can coordinate your benefits. This will help us work with your other plans, to make sure you get the best coverage when you receive medical or dental services. It will also ensure that your claims are processed correctly.

HOW TO KNOW WHEN COORDINATION OF BENEFITS IS NEEDED

When you have more than one insurance plan, one plan is designated as your primary plan and will pay your claims first. The other plan(s) will pay toward the remaining cost. Federal and state rules will usually determine which plan is primary. You may need coordination of benefits if:

- You and your spouse each have separate insurance plans through your employers
- Your child has one insurance plan through school and another through you or an employer
- Your child has multiple plans as the result of a divorce or custody arrangement
- You or a family member also have Medicare coverage

WHAT TO DO IF YOU HAVE MORE THAN ONE MEDICAL OR DENTAL PLAN

- Call each insurer to let them know. Each insurer can tell you which plan is primary and which is secondary. When calling, be sure you have your member ID cards ready.
- When you visit a doctor, dentist, or hospital, present each insurance card to the office on the day of your visit. This information is needed to determine which company should be billed as a primary insurer, and which should be billed as a secondary insurer.
- If one of your insurance plans is canceled, you'll need to inform the other plan(s).

IF YOU'RE TURNING 65 YEARS OLD AND THINKING ABOUT MEDICARE

Call Medicare directly at **1-800-MEDICARE** (**1-800-633-4227**).

If you sign up for Medicare, call us at **1-888-799-1888** to submit your new plan information. If you don't call us, your claims could be delayed or processed incorrectly.

Blue Cross Blue Shield of Massachusetts is an Independent Licensee of the Blue Cross and Blue Shield Association.

NOTE TO EXISTING MEMBERS:

This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this formulary (drug list) refers to “we,” “us,” or “our,” it means Blue Cross Blue Shield of Massachusetts. When it refers to “plan” or “our plan,” it means Medicare HMO Blue or Medicare PPO Blue.

This document includes a list of the drugs (formulary) for our plan, which is current as of 10/01/2025. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages. You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/co-insurance may change on January 1, 2026, and from time to time during the year.

WHAT IS THE MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY?

A formulary is a list of covered drugs selected by our Medicare Advantage Group Plans in consultation with a team of health care providers, that represents the prescription therapies believed to be a necessary part of a quality treatment program. Our Medicare HMO Blue or Medicare PPO Blue plans will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at a Medicare Advantage plan network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

CAN THE FORMULARY (DRUG LIST) CHANGE?

Most changes in drug coverage happen on January 1, but we may add or remove drugs on the drug list during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow Medicare rules in making these changes.

Changes that can affect you this year: In the below cases, you'll be affected by coverage changes during the year:

- **New generic drugs.** We may immediately remove a brand-name drug on our drug list if we're replacing it with a new generic drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our drug list, but immediately move it to a different cost-sharing tier or add new restrictions. If you're currently taking that brand-name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.
  - » If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can find information in the section below titled "How do I request an exception to the Medicare Advantage Group Plan's formulary?"
- **Drugs removed from the market.** If the Food and Drug Administration (FDA) deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that isn't new to market to replace a brand-name drug currently on the formulary; or add new restrictions to the brand-name drug or move it to a different cost-sharing tier or both. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, quantity limits, and/or step therapy restrictions on a drug, or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.

» If we make these other changes, you or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled "How do I request an exception to the Medicare Advantage Group Plan's formulary?"

Changes that won't affect you if you're currently taking the drug. Generally, if you're taking a drug on our 2026 formulary that was covered at the beginning of the year, we won't discontinue or reduce coverage of the drug during the 2026 coverage year except as described above. This means these drugs will remain available at the same cost sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You won't get direct notice this year about changes that don't affect you. However, on January 1 of the next year, such changes would affect you, and it's important to check the drug list for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 10/01/2025. To get updated information about the drugs covered by our plans, please contact us. Our contact information appears on the front and back cover pages.

If we have a mid-year, non-maintenance formulary change, we will provide a notice in the monthly Explanation of Benefits and on our website, **bluecrossma.com/medicare**. You may ask for a copy of the most recent formulary by contacting us. Our contact information appears on the front and back cover pages.

HOW DO I USE THE FORMULARY?

There are two ways to find your drug within the formulary:

- **Medical condition.** The formulary begins on page 7. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular agents." If you know what your drug is used for, look for the category name in the list that begins on page 153. Then look under the category name for your drug.
- **Alphabeticallisting.** If you aren't sure what category to look under, you should look for your drug in the index that begins on page 68. The index provides an alphabetical list of all of the drugs included in this document. Both brand-name drugs and generic drugs are listed in the index. Look in the index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the index and find the name of your drug in the first column of the list.

WHAT ARE GENERIC DRUGS?

Our plans cover both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs.

ARE THERE ANY RESTRICTIONS ON MY COVERAGE?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior authorization:** Our plans require you or your physician to get prior authorization for certain drugs. This means that you'll need to get approval from our plan before you fill your prescriptions. If you don't get approval, our plan may not cover the drug.
- **Quantity limits:** For certain drugs, our plans limit the amount of the drug that our plans will cover. For example, our plans provide up to 30 tablets per 30 days per prescription of Simvastatin 10 mg tablets. This may be in addition to a standard one-month or three-month supply.
- **Opioid safety edits**: For certain drugs or combinations of drugs, there may be a safety edit applied to prevent opioid overutilization. The safety edit on these medications may be cumulative with other similar, medications that you may be taking in the same class. A dosage adjustment by your physician or an exception may be required if you exceed the safety edit.
- **Step therapy:** In some cases, our plans require you to first try certain drugs to treat your medical condition before we'll cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, our plans may not cover Drug B unless you try Drug A first. If Drug A doesn't work for you, our plans will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 7. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask our plan to make an exception to these restrictions or limits, or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Medicare Advantage Group Plan's formulary?" on page 4 for information about how to request an exception.

WHAT IF MY DRUG ISN'T ON THE FORMULARY?

If your drug isn't included in this formulary (list of covered drugs), you should first contact Member Service and ask if your drug is covered.

If you learn that your Medicare Advantage Group Plan doesn't cover your drug, you have two options:

- You can ask Member Service for a list of similar drugs that are covered by our plans. When you receive the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by our plans.
- You can ask our plans to make an exception and cover your drug. See below for information about how to request an exception.

HOW DO I REQUEST AN EXCEPTION TO THE MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY?

You can ask your Medicare Advantage Group Plan to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make:

- You can ask us to cover your drug even if it isn't on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at a lower cost-sharing level if this drug isn't on the specialty tier. If approved, this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plans limit the amount of the drug that we'll cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, our Medicare Advantage Group Plan will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug, or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tier, or utilization restriction exception. **When you request a formulary, tier, or utilization restriction exception, you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

WHAT SHOULD I DO BEFORE I CAN TALK TO MY DOCTOR ABOUT CHANGING MY DRUGS OR REQUESTING AN EXCEPTION?

As a new or continuing member in our plan, you may be taking drugs that aren't on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover, or request a formulary exception so that we'll cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you're a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we'll cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 30-day supply of medication. After your first 30-day supply, we won't pay for these drugs, even if you have been a member of the plan less than 90 days.

If you're a resident of a long-term care facility and you need a drug that isn't on our formulary or if your ability to get your drugs is limited, but you're past the first 90 days of membership in our plan, we'll cover a 31-day emergency supply of that drug while you pursue a formulary exception.

If you change your level of care, such as a move from a hospital to a home setting, and you need a drug that isn't on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we'll cover up to a temporary 30-day supply (or 31-day supply if you are a long-term care resident) when you go to a network pharmacy. After your first 30-day supply, you are required to use the plan's exception process.

Our transition supply won't cover drugs that Medicare doesn't allow Part D plans to cover, or drugs that might be covered under Medicare Part B.

FOR MORE INFORMATION

For more detailed information about your Medicare Advantage Group Plan's prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about our Medicare Advantage Group Plans, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at **1-800-MEDICARE** (**1-800-633-4227**) 24 hours a day/7 days a week. TTY users should call **1-877-486-2048**. Or, visit **medicare.gov**.

MEDICARE ADVANTAGE GROUP PLAN'S FORMULARY

The formulary that begins on page 7 provides coverage information about the drugs covered by our Medicare Advantage Group Plans. If you have trouble finding your drug in the list, turn to the index that begins on page 68.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., AMOXIL®) and generic drugs are listed in lower-case italics (e.g., *amoxicillin*).

The information in the Requirements/limits column tells you if our plans have any special requirements for coverage of your drug.

The abbreviations you may see in the formulary (list of covered drugs) include:

Quantity Limits (QL): To help ensure that the quantity and dosage of your medications remain consistent with manufacturer, clinical, and FDA recommendations, we maintain a list of medications subject to QL. When you fill a prescription for a medication subject to QL, your prescription is reviewed for:

- **Dose consolidation.** Dose consolidation checks to see whether you're taking two or more daily doses of medicine that could be replaced with one daily dose providing the same total amount of medication.
- **Recommended monthly dosing level.** This process checks to see that your monthly dosage of medication is consistent with both the manufacturer's and the FDA's monthly dosing recommendations and clinical information. Your doctor can also apply for an exception to QL guidelines when medically necessary.
- **Non-mail order (NM):** These prescription drugs aren't available through mail order.

Home infusion (HI): Home infusion (HI): This prescription drug may be covered under our medical benefit. For more information, call Member Service at **1-800-200-4255**, from April 1 through September 30, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday, and from October 1 through March 31, 8:00 a.m. to 8:00 p.m. ET, seven days a week. TTY users should call **711**. Our contact information appears on the front and back cover pages.

Medical benefit (MB): These drugs and supplies are covered under your plan's medical benefit and are available through network retail pharmacies or mail order service.*

Prior authorization (PA): These prescription drugs require prior authorization from the plan.

Step therapy (ST): These prescription drugs require you to first try another drug to treat your medical condition.

Medicare Part B or D (B/D): This prescription drug may be covered under Medicare Part B or D, depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

Non-extended day supply (NEDS): In an effort to control drug costs, certain high-cost drugs will be limited up to a 30-day supply per fill.

*Coverage for diabetic test strips and blood glucose monitors at a participating retail or mail order pharmacy is limited to those listed on our formulary and provided at no cost to you. There is no coverage for other brand-name test strips and blood glucose monitors that aren't listed on our formulary when purchased at a retail or mail order pharmacy.

Medicare PPO Blue (PPO)

IS YOUR PROVIDER OF CHOICE (POC) IN THE MEDICARE PPO BLUE NETWORK?

If you need help finding your current POC in the Medicare PPO Blue network, use our Find a Doctor tool. You can also search for other in-network doctors, hospitals, and health care professionals by following these three steps:

1. Sign in to your MyBlue account at **bluecrossma.org**, or open the MyBlue app.
2. Under **My Care**, select **Find a Doctor.**
3. Enter a doctor, hospital, or type of care, then click **Search.**

To search for a doctor without signing in, go to **bluecrossma.com/findadoctor**, and enter **Medicare PPO Blue** under **Select a Network**.

Plus, use the Find a Doctor tool to do so much more.

Search by name, specialty, facility, keyword, or browse by category.

Compare doctors, use filters to narrow your results, and review their quality ratings.

View in-depth doctor profiles, which include specialties, languages, contact information, and whether they're accepting new patients.

Blue Cross Blue Shield of Massachusetts is an Independent Licensee of the Blue Cross and Blue Shield Association.

WE'RE HERE TO HELP
