

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, www.harvardpilgrim.org/LGsampleEOC. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters
What is the overall <u>deductible</u> ?	Tier 1: \$300 member/\$900 family Tier 2: \$300 member/\$900 family Tier 3: \$300 member/\$900 family Benefits are administered on a Plan Year basis	Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes: <u>preventive care</u> , <u>provider</u> office visits, prescription drugs, outpatient mental health services, <u>rehabilitation services</u> , <u>habilitation services</u> , routine eye exams, are covered before you meet your <u>deductibles</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But, a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$2,000 member/\$4,000 family. Separate <u>out-of-pocket limit</u> applies to Pharmacy, see "If you need drugs to treat your illness or condition".	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why This Matters
What is not included in the out-of-pocket limit ?	Prescription drugs, premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See https://www.harvardpilgrim.org/public/find-a-provider or call 1-888-333-4742 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .
