Important Questions	Answers	Why This Matters
What is the overall deductible?	Medical & Prescription Drug Deductible: $2,000 member/ $4,000 family Benefits are administered on a Plan Year basis.	Generally you must pay all the costs up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the policy, the overall family **deductible** must be met before the **plan** begins to pay.
Are there services covered before you meet your deductible?	Yes: **preventive care**, are covered before you meet your **deductibles**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But, a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services
What is the out–of–pocket limit for this plan?	$5,000 member/ $10,000 family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limit** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why This Matters
What is not included in the out–of–pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
