## Mayflower Municipal Health Group Overview

The Mayflower Municipal Health Group (MMHG) is a self-insured joint purchase group that was established on July 1, 2008, pursuant to M.G.L. Chapter 32B, Section 12. All current members have signed the “MMHG Agreement for Joint Negotiation and Purchase of Medical, Health, Dental and Life coverage(s)” herein referred to as the Joint Purchase Agreement. The economies of scale and other benefits derived through joint negotiation and purchase constitute the purpose of the agreement. Large joint purchase groups are better equipped to provide rate stabilization by attaining lower insurance carrier administration fees and lower stop loss insurance premiums.

The MMHG has **31 governmental units** that participate in the health insurance program with **7,100 subscribers** and over **12,500 members**. The MMHG also offers dental, life, and vision insurance, to its participating governmental units.

The **General Board** governs the MMHG and is comprised of representatives from each of the 31 governmental units with each unit having one vote. They have the authority to approve a new member joining the MMHG, vote on the final rates every year, and vote recommendations made by other Committees.

MMHG has a nine-member **Steering Committee** with six members that are elected from the General Board. The remaining three members of the Steering Committee are appointed and include one from the Massachusetts Teachers Association, one from the Professional Firefighters and one retiree appointed from the Plymouth County Retirement Board. MMHG is the first and only joint purchase group to have organized labor representation on a Steering Committee. The Steering Committee is empowered to review annual rate renewals, negotiate health coverage renewal contracts, negotiate funding, and other financial arrangements.

The General Board elects yearly from its membership, a **Finance Committee** of three individuals, who are authorized to perform duties such as select banks, create a fund balance policy, review investment portfolio and invest funds.

MMHG has an elected Massachusetts certified **Treasurer** who provides quarterly financial reports and attends Steering Committee meetings to give monthly updates on the financial status of the group. Audited Financial Statements and quarterly reports are available on our website [www.MMHG.org](http://www.MMHG.org).

The MMHG utilizes the services of a **professional consultant**, Gallagher, and they are compensated based on contracted fee, not commission. Gallagher provides consulting services such as renewals/rate setting, strategic planning, COBRA administration, claims auditing, plan funding analysis, and help navigate federal/state regulations.

MMHG has a **centralized administration** office for processing all enrollment applications, invoicing/collecting premiums, maintaining financial information, reviewing invoicing, providing wellness programs, tracking members turning age 65, answering benefit administrator questions, and other administrative functions.

MMHG's award winning **wellness program** has quarterly **Wellness Committee** meetings to discuss program offerings that include member-based interaction with a focus on members' individual responsibility for their own health and well-being. Wellness information is provided in emails, quarterly newsletters, Facebook, Twitter and at [www.mmhg.org](http://www.mmhg.org).

MMHG offers high quality plans with low premiums and is the premier joint purchase group option for public health insurance in Southeastern Massachusetts.
